

Evergreen Middle School PTSA

We, **Evergreen Middle School Parent Teacher Student Association** (EMS PTSA), are a 100% volunteer-driven unit of the Washington State PTA, which is a branch of the National PTA. We uphold the National PTA's vision and work in partnership with the school and families to support and expand the school's educational goals through fundraising and volunteerism.

Our Mission

We are committed to building a strong partnership between parents, community and school to create a substantial and positive impact on our children's wholesome growth.

Our Values

- **Integrity** - always do the right thing
- **Commitment** - dedication to all children's growth
- **Collaboration** - work to build a cohesive community

Our Goals

- Encourage parent engagement on all levels, develop parent leadership and empower them for greater involvement in school governance and decision making.
- Build effective and efficient communication with parents through multiple channels.
- Provide support and resources to the school for the benefit and educational growth of all children through volunteering and funding.
- Making use of our voice as a member organization to advocate for all our students.
- Conduct purposeful fundraising in order to sponsor teacher grants, student enrichment programs, teacher appreciation, and much more.
