The LWSD will make every reasonable effort to provide a safe environment, and exclude high risk games and events from the carnival. Some of the activities are physically rigorous and they carry inherent risks. The risk must be assumed by each participant and his/her legal guardians that the child may suffer an emotional or physical injury or disability from improper use of equipment, unsafe acts on the part of the participants, or failure of equipment. The activities of the carnival are not under the direct control of District staff. The District and its staff cannot be responsible for the condition of the equipment, and cannot be responsible for the inherent dangers of each piece of equipment.
